### 1. When you were a kid, what did you always want to be when you grew up?

*A psychiatrist or psychologist. I was always the kid that people would come to with their problems*

### 2. If you won the lottery, what would you do with the money?

*Take care of my entire family, become a Brew master, and open up a brewery with my brother-in-law*

### 3. Who is your hero? (a parent, celebrity, an influential person)

*My parents - they sacrificed a lot, and allowed me to go to college (1st in my family)*

### 4. What is your favorite vacation spot?

*Good ole Ocean City, NJ. Nothing beats hanging on the beach with family/friends, body-surfing with the kids, and having a beer by the ocean (in a solo-cup of course as OC is a dry town);*

### 5. What is your biggest pet peeve?

*Drivers who do not understand the concept that the left lane is for passing only*

### 6. Share a fun fact about yourself/hidden talent:

*I find much joy in quoting movie lines & sharing video clips to help keep a humorous atmosphere*

### 7. If you could bring back one celebrity/entertainer/actor from the dead who would it be?

*Jim Belushi or John Candi; they both died too young with so much talent*

### 8. What time period would you travel back/forward to?

*I'd like to travel to the year the Philadelphia Eagles win their 2nd Super Bowl Championship. 2019 would be GREAT as I'm not sure I can deal with another 58 year drought. AO1 - Fly Eagles Fly!*

### 9. If someone made a movie about your life, who would they cast to play you?

*Matt Damon*

### 10. Tell us about your pet(s)!

*We lost our yellow lab four years ago and are FINALLY looking to get a new dog this spring*
