An archaeologist

Buy a house with a turreted tower somewhere in central London, make it a B&B and bake bread all day, and bore people with suggestions on what to do in London

My late grandfather who always said "I only get annoyed on Tuesday. Today is not Tuesday."

4. What is your favorite vacation spot?

I love going somewhere I have not been to before -- ideally warm and with a big bustling market to explore

5. What is your biggest pet peeve?

Food wastage and picky eaters

6. Share a fun fact about yourself/hidden talent:

I make excellent ice cream and invent wild new flavors (lavender? pomegranate? cardamom?)

7. If you could bring back one celebrity/entertainer/actor from the dead who would it be?

Nelson Mandela

8. What time period would you travel back/forward to?

Roaring twenties would be fun!

9. If someone made a movie about your life, who would they cast to play you?

I'd wish for somebody graceful, but I fear it will be like a Sandra Bullock/Miss Congeniality ... pre-makeover

10. Tell us about your pet(s)!

I am making kombucha (a fermented tea) and tend to talk to the scoobies, the kombucha cultures. They sit on my office cupboard, and sometimes I chat with them. They are an excellent sounding board for thoughts!
