1. When you were a kid, what did you always want to be when you grew up?

A ballerina, an actress, and a witch (as in Bewitched)

2. If you won the lottery, what would you do with the money?

Outside of getting my closest family in a very comfortable financial spot I am not exactly sure yet... I would definitely need to win big because I have very big dreams!

3. Who is your hero? (a parent, celebrity, an influential person)

My grandma is my absolute hero! She was born in 1915 in a French colony, had an incredible life journey, lived major historic events like wars, and was still able to use skype at 99 years old

4. What is your favorite vacation spot?

Corsica and Maui

5. What is your biggest pet peeve?

When people shuffle and slide their feet while walking... expect for older people obviously!

6. Share a fun fact about yourself/hidden talent:

I can move one eye on its own

7. If you could bring back one celebrity/entertainer/actor from the dead who would it be?

It would have to be a group of people! I'm thinking Einstein, Marie Curie, and definitely Jesus! :)

8. What time period would you travel back/forward to?

Back to the Art Deco era or forward to 100 years from now

9. If someone made a movie about your life, who would they cast to play you?

I would hope that it is obvious! Marion Cotillard of course

10. Tell us about your pet(s)!

Finette was my childhood golden Cocker Spaniel, who would wait for me outside the school gates
